## **Transportation Systems Sector**

8. *June 16, Wisconsin Rapid Daily Tribune Media* – (Wisconsin) **Highway closed after fuel tanker crash.** A portion of County Highway A in Wood, Wisconsin, will be closed until further notice June 16 while crews clean up after a fuel tanker overturned. No injuries were reported.

Source: <http://www.wisconsinrapidtribune.com/story/news/local/2015/06/16/highway-closed-fuel-tanker-crash/28798559/>

9. *June 15, Associated Press* – (Illinois) **Wind, rain cause flooding, Chicago flight cancellations.** The Chicago Department of Aviation reported June 15 that storms sweeping across northern Illinois prompted a tornado warning that caused the cancellation of more than 815 flights and delays of 2 or more hours at O'Hare International Airport, as well as the cancellation of 25 flights at Midway International Airport.  
Source: [http://www.stltoday.com/news/national/wind-rain-cause-flooding-chicago-flight-cancellations/article\\_c31cb6d7-81d8-5e36-bd17-15ed649f953b.html](http://www.stltoday.com/news/national/wind-rain-cause-flooding-chicago-flight-cancellations/article_c31cb6d7-81d8-5e36-bd17-15ed649f953b.html)
10. *June 15, Alaska Dispatch News* – (Alaska) **Unpredictable Sockeye wildfire appears to shift directions, moves north.** Parks Highway from mile marker 71 to Hatcher Pass was closed June 15 for an unspecified amount of time due to a wind shift that sent the Sockeye Fire towards the highway and prompted a 15-mile evacuation of the area while crews responded to the scene.  
Source: <http://www.adn.com/article/20150615/parks-highway-shuts-down-again-sockeye-wildfire-continues-burning>
11. *June 15, River Falls Journal* – (Wisconsin) **Too-tall load strikes I-94 overpass, causes freeway shutdown.** The Interstate 94 overpass near Woodville was closed for several hours June 15 while crews inspected and cleared the scene of a crash after a semi-trucks body disconnected and overturned across the median. No injuries were reported.  
Source: <http://www.riverfallsjournal.com/news/accidents/3766499-too-tall-load-strikes-i-94-overpass-causes-freeway-shutdown>
12. *June 15, Easton Star Democrat* – (Maryland) **1 dead, 3 hurt in Dorchester crash.** Route 307 in Williamsburg was shut down for several hours June 15 while crews cleared the scene of a 3-vehicle accident that involved a semi-truck and killed 1 person and injured 3 others.  
Source: [http://www.stardem.com/news/local\\_news/article\\_507269df-00e9-5eec-9bb0-82297fac0e21.html](http://www.stardem.com/news/local_news/article_507269df-00e9-5eec-9bb0-82297fac0e21.html)

[\[Return to top\]](#)

## **Food and Agriculture Sector**

13. *June 16, Food Safety News* – (Ohio) **Salmonella outbreak hits Ohio care center.** The Ohio Department of Health reported June 16 that a salmonella outbreak at the Heritage Corner Health Campus in Bowling Green, Ohio, sickened 18 people. An investigation is ongoing to determine the cause of the incident and officials have advised the health center to close common room areas and thoroughly sanitize the facility.  
Source: <http://www.foodsafetynews.com/2015/06/salmonella-outbreak-hits-ohio-care-center/#.VYAOzvlVhBc>

14. *June 15, ConsumerAffairs.com* – (New York; Pennsylvania) **Larry's Custom Meats recalls beef tongue products.** Larry's Custom Meats of Hartwick, New York, is recalling approximately 529 pounds of beef tongue products after lingual tonsils were found still attached to the meat June 15. The item was shipped to retail locations in New York and Pennsylvania.  
Source: <http://www.consumeraffairs.com/news/larrys-custom-meats-recalls-beef-tongue-product-061515.html>
15. *June 15, KION 32 Salinas* – (California) **Fresca Italia pork products recalled in San Francisco bay area.** The Food Safety and Inspection Service reported June 15 that Fresca Italia is recalling approximately 36 pounds of prosciutto pork products produced in Italy that missed U.S. inspection upon entry into the country. The items were shipped to retail locations throughout San Francisco, California.  
Source: <http://www.kionrightnow.com/news/local-news/fresca-italia-pork-products-recalled-in-san-francisco-bay-area/33594968>

[\[Return to top\]](#)

## **Water and Wastewater Systems Sector**

16. *June 15, WCAU 10 Philadelphia* – (Pennsylvania) **Millions of gallons of water flow after water main break in West Philly.** The Philadelphia Water Department reported June 14 that a 36-inch water main ruptured in West Philadelphia, spilling approximately 12.5 million gallons of water, prompting the evacuation of 14 people from nearby homes, and submerging a car into a sinkhole located near a gas main that crews had to shut off while responding to the incident. The cause of the rupture remains under investigation  
Source: <http://www.nbcphiladelphia.com/news/local/Water-Main-Break-West-Philadelphia-Water-Department-52nd-Street-307289801.html>
17. *June 15, WCHS 8 Charleston/Huntington* – (West Virginia) **Boil water advisory issued for about 400 customers along Route 10 in Huntington.** West Virginia American Water issued a precautionary boil water advisory June 15 for about 400 customers in Huntington following a water main break.  
Source: <http://www.wchstv.com/news/features/eyewitness-news/stories/Boil-Water-Advisory-Issued-For-About-400-Customers-Along-Route-10-In-Huntington-149863.shtml#.VYA76fIViko>
18. *June 15, WPBF 16 Tequesta* – (Florida) **Shark sightings shut down St. Lucie County beaches.** St. Lucie County announced June 15 a county-wide beach closing after reports of sharks were scene along the shoreline.  
Source: <http://www.wpbfl.com/news/shark-sightings-shut-down-st-lucie-county-beaches/33595254>

[\[Return to top\]](#)

## **Healthcare and Public Health Sector**

19. *June 15, WFTS 28 Tampa* – (Florida) **Tampa doctor arrested on fraud charges.** A chiropractor with offices in South Tampa and Auburndale, Florida, was arrested June 15 on charges of insurance fraud and patient brokering. The doctor allegedly enlisted three accomplices to pay patients and file false insurance claims with the two clinics. Source: <http://www.abcactionnews.com/money/consumer/taking-action-for-you/tampa-doctor-arrested-on-fraud-charges>

[\[Return to top\]](#)

## **Government Facilities Sector**

20. *June 16, Muncie Star Press* – (Indiana) **Search continues for Randolph jail escapee.** An inmate at Randolph County Jail in Winchester, Indiana escaped by foot June 15 while cleaning the jail lobby. Jail officials plan to change procedures to prevent similar escapes in the future, and detectives are interviewing the friends and family of the inmate to determine his possible whereabouts. Source: <http://www.thestarpress.com/story/news/crime/2015/06/15/authorities-searching-for-randolph-county-jail-escapee/71241772/>
21. *June 15, Associated Press* – (Texas) **The latest on severe weather: tropical storm prompts school closings in Houston-Galveston area.** Galveston and southern Houston area schools were closed June 16 due to tropical storm warnings and flood watches from Tropical Storm Bill. Source: <http://www.usnews.com/news/us/articles/2015/06/15/the-latest-local-state-governments-prepare-for-gulf-storm>
22. *June 15, Associated Press* – (Arkansas) **Little Rock Air Force Base guards critically wound rifle-carrying man trying to enter.** A suspected gunman was shot and critically wounded by guards at Little Rock Air Force Base in Arkansas after allegedly attempting to force his way through the front gate and emerging from his vehicle armed with a rifle June 15. The base was placed on lockdown for three hours while a bomb squad investigated the suspect's vehicle and home, and law enforcement is now investigating the incident to determine a possible motive. Source: [http://www.oregonlive.com/today/index.ssf/2015/06/air\\_force\\_base\\_guards\\_in\\_littl.html](http://www.oregonlive.com/today/index.ssf/2015/06/air_force_base_guards_in_littl.html)

## **Emergency Services Sector**

Nothing to report

## **Information Technology Sector**

23. *June 16, Infosecurity Magazine* – (International) **Stegoloader malware hides in images on legit sites.** Security researchers from Dell SecureWorks released findings from a report warning of potential new trend in which malware uses digital stenography to evade detection and steal information from affected users via various configurable modules.  
Source: <http://www.infosecurity-magazine.com/news/stegoloader-malware-hides-in/>
24. *June 16, Softpedia* – (International) **LastPass has been hacked, change your master password now.** Officials from LastPass advised that users change their master passwords after the company discovered that their system was compromised June 12. No user accounts were reported to have been accessed, and encrypted vault data was reportedly not tampered with.  
Source: <http://news.softpedia.com/news/LastPass-Has-Been-Hacked-Change-Your-Master-Password-Now-484422.shtml>
25. *June 16, Securityweek* – (International) **Canonical patches privilege escalation vulnerability in Ubuntu.** Canonical released updates for Ubuntu fixing a local root privilege escalation vulnerability related to the OverlayFS Linux file system's permissions in which an attacker could gain administrative privileges on the affected system.  
Source: <http://www.securityweek.com/canonical-patches-privilege-escalation-vulnerability-ubuntu>
26. *June 15, Securityweek* – (International) **Duqu 2.0 used stolen digital certificate in attacks: Kaspersky Lab.** Security researchers at Kaspersky Lab reported that the attackers behind the Duqu 2.0 malware identified in worldwide attacks in June used a stolen valid digital signature from Hon Hai Precision Industry Co., LTD/Foxcon Technology Group to sign a driver that masked command-and-control (C&C) traffic and ensured the persistence of the malware. The attackers reportedly installed the malicious drivers on firewalls, gateways, and servers with direct internet access as well as corporate network access.  
Source: <http://www.securityweek.com/duqu-20-used-stolen-digital-certificate-attacks-kaspersky-lab>
27. *June 15, Securityweek* – (International) **Cisco fixes DoS vulnerability affecting carrier routing systems.** Cisco released updates for IOS XR Software installed on CRS-3 Carrier Routing Systems addressing a medium severity vulnerability in which an attacker could cause the line card to reload by sending specially crafted packets to the vulnerable device, causing an extended denial-of-service (DoS) condition.  
Source: <http://www.securityweek.com/cisco-fixes-dos-vulnerability-affecting-carrier-routing-systems>
